Chris's 'POETRY, MUSIC AND MOVEMENT WORKSHOPS' are joyful, inclusive and have something to benefit all those taking part !

Using poems, musical instruments, fabrics, bubbles, play parachutes, our senses and enthusiasm to go with them, Chris. enables every child to learn something new, find different ways to Communicate and have **FUN !**

Poetry is an experience and children and adults can enjoy being creative together in many different ways.

Poems can be groups of sounds, patterns, movements, words, signs — they are a vehicle to help us enjoy, understand and explore.
